

ACE Reporting Template: Completed by College

Outcome, Opportunities and Methods

ACE Outcome

List of departments/programs with ACE courses for this outcome:

Method for collecting and assessing outcome reports across departments/programs

- How did the college collect summaries and samples of student work across departments/programs?
- How did the college aggregate & review those submissions?

Assessment Results

Summary of ACE assessment results for this outcome in the college

Summarize the following for your unit's/units' assessment activities:

- Kinds of evidence (e.g. assignments and/or tests) collected to assess student achievement of the outcome.
- Significant assessment findings about student achievement.
- Programmatic or course improvements (adjustments? changes?) that were made or will be made as a result of the assessment process.

[Will attach or provide a link to examples described above]

Conclusions about ACE assessment results for this outcome in the college

- What is working well in your college's courses & programs/departments to achieve and assess this ACE outcome? Are there any notable promising practices occurring within your college?
- What modifications in your college's courses and programs/departments would improve student achievement and assessment of the outcome?
- What recommendations, if any, does your college have for the University-Wide Assessment Committee regarding the ACE assessment process?
- Do you have other comments regarding ACE assessment?

Attachments

1. If not using Blackboard, provide access to samples of student work
2. Key results of aggregated submissions used to inform college's assessment summary.
